***Find out how you can be part of this event!***

Christmas is a time of celebration and we have found a way to celebrate the season for children, friends and family in downtown Lloydminster.

“Here Comes Santa Clause” will bring an element of Christmas in Lloydminster that has been missing for some time.

Let’s show Lloydminster the “spirit of downtown.” from Santa’s arrival to the tree lighting in the evening.

***Together we can create a day full of memories during this holiday season.***
